pital physician even refused to give the and left her parenst home fast February and and sick in its mother's arms, some medi- went to live at the home of Haas's mother,

she then went to the Amity street police woman, and when she told them that she station and Capt. Drunan notified the Health would like to rid herself of the little one, it is

On the night of the murder the men went

on the night of the murder the men went to Miss Werthelmer and secured the child. She says that she did not know they were going to commit murder, but supposed, that they woule take it to an institution They took the child to Newtown Creek.

As they walked along the railroad tracks the little one cried, and Schultz says Haas tried to stifle its cries by choking it. Failing in this he took the child's coat and smothered

t.

After reaching a spot where they thought they would not be discovered, it is alleged. Schultz held the child's head under water. Both men thought the child was dead, and they tied a rope around its neck, to which a stone was fastened, and threw the little body in the water.

stone was fastened, and threw the little body in the water.

The linant showed signs of life, and the body was recovered again. Schultz says he refused to go any further.

Haas suggested that they bury the body. They crossed the stream to the Queens County side, and while haas was digging a hole the child cried arain.

They finally dumped the body in the mud and covered it up. Next day the neighbors missed the child and became suspicious.

Haas and Schultz were overheard while talking of the affair and Detectives Campbell talking of the affair and Detectives Campbell and Lyons were notified. They arrested the men and Schultz confessed.

The body was found several days later.

THEY WILL CELEBRATE TO-NIGHT

Hallowe'en as It Is Observed by the Boys and Girls.

Hallowe'en will be duly celebrated to-night by the young folks, though 1892 knows better than to believe that it must kindle sacred fires to-night to ward off the evil spirits whose season was supposed by the ancien

retained in parts of Ireland, Scotland, Wales and England, but not with the Druidish notion that they are efficacious in driving away evil spirits.

In fact, under the nineteenth century dis pensation Hallowe'en observers are now of a character to conjure up good spirits rather than to lay bad ones, and the lads and lasses cerum street, Brooklyn, was in the Lee of all the Christian world play all sorts of Avenue Police Court this morning charged games to determine the names of their rewith attempting suicide by taking Paris special propilions and six specially propilions night green.

She said it was because her husband did not give her his earnings. She begged ale, nuts and elder and love-making. As for Young America, he chalks the doors of his neighborhood, the cabbage stalks to the door-knobs, carries away front gates, at-taches "tick-tacks" to the windows of timid prople and makes a general all-round nui-sance of himself.

WORD-PICTURE OF DEATH.

Bishop Fowler Thrilled and Shocked St. James's Congregation.

Bishop Charles Fowler, of the Methodist Episcopal Church, has created a tremendou sensation among the members of Rev. James Price's aristocratic congregation of James's Church, Madison avenue and One Hundred and Twenty-sixth street. The Bishop occupied the pulpit of that

"Death," and his word-painting of "the ghastly form with no fiesh on its bones, no blood in its veins and no eyes in the sockets or the skuil," was so feverishly eloquent and realistic that the whole congregation was convulsed. Strong then were shaken with emotion and weak women still in widows' weeds or mourning some dear one departed, broke down and fled from the church.

Members of 8t. James's are unable to talk caimly about the sensation to-day, and there is every variety of feeling expressed from thrilled admiration for the public orator to deepest indignation against him for so harrowing up the wounded hearts of his hearers. "Death," and his word-painting of "the

Official Refusals to Treat a Dip- Peter Schultz Arraigned for Slay- Republicans to Have a Monster Efforts to Solve the Latest Bloody Mystery in Paris.

News by Cabic. LONDON, Oct. 31. - The Paris correspondent

of the Botty Telegraph gives the following additional particulars of the mystery in the Rue Botzaris, where a girl's body was found head missing. The murder was evidently the work of a practised hand, the dissection of the body being skilfully performed-a inct which gives

color to the belief that the work was done by

surgeon, or at least by a butcher. it is believed that not more than from sixeen to twenty-four hours clapsed between the time the crime was committed and the time when the mutilated remains were discovered. It is also believed that the body was still warm when it was cut into pieces. There was strong smell of carbolic acid in the room where the remains were found, and this fact at first led to the supposition that the body had been used for dissecting purtended as medical specimens, but evidence to the flesh had been backed and torn with i

The police, after the discovery of the crime. at once sent out dogs to trace the murderer or murderers. Bloodstains found 300 yards distant in a waste area of ground form the Bradley Escaped from the Massa- Girl Forger's Plea for Another only clue yet obtained.

Madame Fallion, who lives near the scene says that her dogs barked loudly on Saturday morning, and that on Sunday she saw two men pointing to the waste ground, one of them saying to the other . That's the place." The Paris correspondent of the Times says that the remains were wrapped up in bundle. It is supposed that the murderer placed the bundle in a house temporarily, in-tending to take it elsewhere later. A pool of blood was found on Sunday morning near the dead wall of a neighboring street. As rain had been falling until 3 4. M., the blood must have come there later than that hour. A trail of blood was visible for forty paces along the street.

GLADSTONE MAY NOT ATTEND.

A FIREBUG'S WORK. Occupants of a Brooklyn Tenement Have a Narrow Escape.

Fire Marshal Lewis and the police of the Vernon arenue station, in Brooklyn are investigating an incendiary fire, which was disvestigating an incendiary fire, which was dis-covered in the cellar of a tenement at 823 covered in the cellar of a tenement at 823
Park avenue at 12.30 o'clock this morning.
The building is a frame structure and its occupied by half a dozen families. The We put our faith behind those shootflames were discovered by one of the tenants, If they fall anywhere come tack with who saw smoke coming up through the floor.
Going into the ceitar he found a lire burning
briskly in one of the coal bins. Several
buckets of water extinguished the flames.
Some person had thrown rags saturated
with oil into the coal-tin and had also scattered oil all over the ceitar. The building is
owned by Catherine Grauer, of 6.29 Macon
street.
